

Make Your Own Shofar Activity

Create your shofar at home, then photograph yourself blasting the shofar for our Rosh HaShana Tot Service online shofar chorus!

To complete this activity, you will need:

- the shofar template
- a hole-punch
- scissors
- wool or string
- paper, tissues, cotton wool or other material for stuffing
- iphone / camera

Activity Part 1: Make your Shofar

1. Print your shofar template [here](#)
2. Colour in each shofar
3. Cut out each shofar and use the hole-punch to cut out the holes around each shofar
4. Beginning at the smaller end, weave the wool/string through the holes, sewing the shofar together. As you are sewing it together, use your stuffing to fill out the shofar.

Activity Part 2: Photograph you and your shofar blasts!

1. Practice your shofar blasts. There are four types:

2. Take a photo of your family blasting your new shofar!

The shots should be taken with the camera held landscape, like this:

3. Send your videos to yachad@tbi.org.au and they will be included in a collection for Rosh HaShana Tot services on Friday September 18th at 3.30pm!

We look forward to seeing you there. Shana Tovah!
